The Boards of the Grand Haven Area Community Foundation and the Marion A. and Ruth K. Sherwood Family Fund are pleased to announce eleven fourth quarter grant awards totaling \$290,080 to support the Tri-Cities community.

### **Tri-Cities Historical Museum – Collections Facilities and Improvements Program**

**Amount Awarded:** \$75,000

**Purpose:** The *Tri-Cities Historical Museum* currently stores over 60,000 artifacts and the existing space constraints have led to storing items in a way that could damage this collection of amazing local history. Relocating the artifacts and collections to this new facility will increase the museum's operational capacity, plus the public will have access to this space to utilize computers, conduct research, and meet with collections staff. The building acquisition has been divided into five phases and is currently in the first phase of acquiring and preparing the new facility for storage and use. This is an active community campaign. To find out how you can support the museum, please contact Laurel Nease at 616-842-0700 or [lnease@tri-citiesmuseum.org](mailto:lnease@tri-citiesmuseum.org).
